## STUNNING SCANDINAVIAN MODERN SECRETAIRE DESK

item number FCA-8-21

This piece is a modern version of the traditional drop front desk form, constructed of beautiful flamed mahogany. The grain has been matched beautifully throughout the piece, giving the appearance of having been carved from a single piece of wood. Definitely Swedish or Danish. Incredible quality with a gorgeous light wood interior. Stunning!

### DIMENSIONS

50" H x 42" W x 22" D
